P1/772/2022

Dated. 11.03.2022

## CIRCULAR

The Covid-19 Pandemic resulted in Academic disruption to an extent that many of the co-curricular, extra-curricular activities of the Polytechnic community were cut short. The opportunity for interactions among students and the learning through such activities were lost.

Therefore SITTTR Kalamassery and Polytechnic colleges propose to conduct a series of programs that is on-campus, interactive and providing possibilities of showcasing skills and knowledge of students. Principals are directed to circulate the details among faculty and students and ensure their participation.

The proposed programs and the respective co-ordinators are detailed below:

### 1) @ GPC Kalamassery-Yanthrika 2K22

The main activities of the program include Project Idea presentation, Project Expo, Science Quiz, CAD Design competition, Auto show, Live Photography context etc. All competitive events are interdisciplinary and intercollegiate in nature.

<i>Proposed date</i>	<i>Co-ordinator</i>
16/03/2022	<b>Staff Co ordinator: Mr. Chindhu V G, Lr in Mechanical Engineering, Mobile:9447789849</b> <b>Student Co ordinator:Shyamjith S, Mobile:9037416386</b>
