**About K-Skill**

K-Skill is an initiative of the Additional Skill Acquisition Programme (ASAP) Kerala, a skill development company under the Higher Education Department, Government of Kerala. It aims to enhance the skill-sets of students and the general community, preparing them to be employable and conform to industry standards. K-Skill is an annual training plan segregated into four windows rolled out during an academic session. It offers over 100 contemporary courses in 14+ advanced sectors that include IT-ITES, Banking, Media, Power, Language Development, and much more in each window.

**Why K-Skill?**

Candidates are offered an array of industry-certified and future-proof courses to choose from, which cater to enhancing their skills. The courses instil students with the right skillsets and further empower them to design a better and bright future for themselves.

- ▶ Learn from seasoned experts
- ▶ Placement assistance for majority courses
- ▶ Lifetime enrollment to Placement Portal of ASAP Kerala
